

**DEPARTMENT OF CLINICAL AND ADMINISTRATIVE SCIENCES
POSITION ANNOUNCEMENT
EXPERIENTIAL EDUCATION AREA COORDINATOR, SAN DIEGO**

DEPARTMENT OF CLINICAL AND ADMINISTRATIVE SCIENCES

The Department of Clinical and Administrative Sciences at California Northstate University College of Pharmacy (CNUCOP) has an opening for a faculty position at the Assistant, Associate or Full Professor level as an Experiential Education Area Coordinator (EEAC) in beautiful San Diego, California. The Experiential Education program employs a 12-month, full-time, non-tenure track clinical faculty, funded entirely by the College. Rank and salary will be commensurate with experience.

As a member of the faculty, EEACs share the same rights and responsibilities as all other on-campus faculty of the College. EEACs have a significant administrative component to their responsibilities which includes the coordination of student experiential activities at one of the College's geographic "hubs". EEACs lead "experiential summits" as part of the educational process for students on rotation in keeping with the College's team-based learning (TBL) philosophy throughout the program. EEACs are assisted by a full and well-developed staff in the Experiential Education program, including the Associate Dean for Experiential Education. EEACs have allocated funds for travel and professional development and report to the Chair for the Department of Clinical and Administrative Sciences.

POSITION ANNOUNCEMENT: EXPERIENTIAL EDUCATION AREA COORDINATOR, SAN DIEGO

The successful candidate will have completed a terminal practice degree (e.g., PharmD) from an ACPE-accredited College of Pharmacy. Eligibility for pharmacy licensure in the State of California attained within 4 months from the date of hire is required. The successful candidate will have excellent verbal and written communication skills, experience in infectious disease and maintain an active practice in his/her area of expertise. Preference is given to candidates who have completed an ASHP-accredited infectious disease residency (PGY2) and/or specialized training (e.g. fellowship, stewardship experience), as well as acquired Board Certification.

The "hub" is based in San Diego, CA, with the primary practice site located at Sharp Chula Vista Hospital. Sharp HealthCare has received the Malcolm Baldrige National Quality Award and has been recognized by the Ethisphere Institute as a 2014 World's Most Ethical Company. More information about Sharp Hospitals can be found at www.sharp.com.

California Northstate University is accredited by WASC and the CNUCOP program is accredited by ACPE. CNUCOP is a private institution noted for its team-based learning curriculum and its active engagement of public health services to many, particularly underserved, populations. Additionally, the College has been cited for its inter-professional education program and its assessment of student learning. More information about CNUCOP can be found at www.cnsu.edu.

Applications will continue to be accepted until the position is filled. Informal inquiries to the search committee chair are welcome. We invite all candidates to submit a cover letter, curriculum vitae, and two letters of recommendation by email to:

Vasudha Gupta, PharmD, BCACP
